Dear Mr. Harwood,

Thanks for the cassette with the Oswald and perhaps Lovelady pictures.

I'll look at it when I can.

That is now far in the past on my work but it is ad you say still and interesting point.

On what shirt Lovelady was wearing, see the note at the end of the index in Photographic Whitewash.

Not the one the FBI said.

I also appreciate your cuing it to right place.

Many thanks,

Harold
